

Concealment, Comfort, Accessibility

Congratulations on the purchase of your new coat with The Cacharme System installed. Not only is it a well-designed fashion garment, but also a personal security system.

We want you to be aware of the Core Values for which we stand:

- **Safety**
 - Everyone has a right to be safe, and able to protect themselves and their loved ones.
 - Everyone who carries has an obligation to be trained, educated and to exercise safety.
- **Responsibility**
 - Everyone has an obligation to be responsible for themselves and their actions.
 - Everyone has an obligation to live and operate within our Local, State and Federal laws and Constitutional Rights.
- **Liberty**
 - Everyone has a right to protect and be safe in their home.
 - Everyone has a right to safely enjoy the use of the public spaces provided to us, as well as the private spaces into which we are invited.

As such, our Purpose for existing is:

Cacharme Systems, LLC exists to support people in their pursuit of a full and productive life, and to safely come home to their families at the end of every day.

We hope you get great comfort and joy in wearing the garment, and never need to use the protection system. However, should you ever be in a position to engage an aggressor, your success will be determined by how often you train in the use of the system. We strongly suggest that in your first month with this coat, you take four advanced classes using the Cacharme System. After that, you should take a refresher course at least quarterly using this System. Please visit our website for Certified Firearms Instructors who offer training using the Cacharme System.

Instructions

Your inserts are custom to each specific firearm and magazine combination. They will either be right-hand draw, or left hand draw.

Right-Hand Draw: Your holster insert will be fitted into the special pocket on the inside of the left breast of your blazer. The corresponding magazine carrier insert will be fitted into the special pocket on the inside of the right breast of your blazer.

Left-Hand Draw: Your holster insert will be fitted into the special pocket on the inside of the right breast of your blazer. The corresponding magazine carrier insert will be fitted into the special pocket on the inside of the left breast of your blazer.

For each of the special pockets, there is a button flap located at the top of the pocket toward the back edge of the pocket furthest under the sleeve. The button flap is to be threaded through the top of the insert in each pocket. This will secure the insert in the pocket. **Each time you wear the blazer, make sure the button flap has secured each insert into place. Never wear the blazer with the inserts installed if the button flap does not or cannot secure the insert into place.**

For additional security, there is a Keeper Strap that comes with your blazer. It can be attached to the bottom of the insert and threaded through the slit at the bottom of each pocket. Once threaded through the slit, it can be attached to the trouser belt.

Warranty

Cacharme Systems strives on 100% customer satisfaction. If at any time within 7 days of receiving your order you are not satisfied with the fit, style, quality or design of the product(s), return the item(s) to us in the condition in which it was shipped to you and we will refund your purchased product price 100% or exchange the item.

Keep in mind, many of our products are custom made. Our return and exchange policy does not apply to our custom made products; specifically our clothing lines.
